# Technology Use Policy

ADOPTED: 9/21/17

REVISED:

## Technology Use Policy:

Technology is available on a first come, first serve basis. Staff must verify patron has a library card in order to use the computer. Users are also required to sign the computer log book before beginning their computer session.

## Users:

1. May use the technology for one half hour.
2. May not access pornography or other offensive material. Access shall be otherwise in accordance with internet use policy.
3. May only use technology during library's hours of operation.
4. Price to print from computer will be 25¢ per page.
5. One half hour before library closing time, the library staff will ask user to shut the computer off as part of the library closing procedure.

Not following this policy and/or misuse of the computer will result in terminating privileges at the discretion of the library staff.
