

Fenton Free Library Unattended Children Policy

ADOPTED: 2/18

REVISED:

The Fenton Library welcomes and encourages children to visit the library, use library resources and services, and attend library programs. Staff members are available to help and support children; however, the library is not able to provide short or long term child care, nor be responsible for unattended children.

Unattended children are children of any age who are apparently unaccompanied by a parent, guardian, and/or responsible caregiver. Children who are unable or unwilling to care for themselves may not be left alone in the library and must have adequate supervision while in the library. The library is not responsible if children leave library property unattended.
