The Fenton Free Library is pleased to announce the appointment of it's new Director, Leslie Weigand. Leslie began her tenure as Director on July 25th. Her appointment comes after an extensive search with many qualified candidates. Leslie's enthusiasm for the position is evident from her interviews and we are excited to see her continue our commitment to be the Heart of the Community!

Leslie has lived and worked in our community since 2005, working as a physical therapist with UHS for 15 years, and then in 2021 as an entrepreneur, starting a small business called B & B Well.

Leslie has also served our community through many years of volunteer work with A Room to Heal, a local nonprofit organization that helps create healing spaces for children with serious medical conditions.

Regarding her appointment, Leslie stated,

"I'm honored to

become a part of the next chapter of the library's history. I look forward to getting to know the library community and working with the staff, the board and the town to help me continue the library's tradition of serving our community since the 1930's.

I cant' wait to get started!"
