We are so excited to be offering Terracycle recycling at the library!! Thanks to generous grants from The Community Foundation of South Central New York and Broome County, we are now able to recycle hard-to-recycle waste. Terracycle helps keep everyday items out of landfills by turning them into new products!

What Can You Recycle??

Currently we are offering free recycling services for all brands baby food pouches, all brand juice pouches, all brands of oral care products and packaging, all brands of air care products and packaging, as well as Gerber brand only baby food packaging and clothing hangers. We are hoping to add more products to this list soon. Stop by the library or visit our website for more information.
